EXPLANATION OF WHY CONTESTED CHARGES ARE IN ERROR

The two duplicate charges listed above correspond to fees for petitions for two-month extensions of time for filing a response after the due date of an Office Action. The charges are believed to be in error because the response to the Office Action dated May 9, 2003 was filed on September 9, 2003, within the first month after the due date. Enclosed is a copy of the response filed on September 9, 2003 and the fax receipt from the PTO showing receipt of the response on September 9, 2003. Consequently, the appropriate fee due was a single fee for a one-month extension, and a refund of the difference of \$710.00 is requested.
